PORTLAND, August 16.—Hop men are somewhat at sea regarding the reported sale at Woodburn yesterday at 25c. A dispatch from that place states that the contract was made with John A. Glatt by Henry J. Miller, and that the paper was shown to several persons there.

The fact that Miller would not confirm the Woodburn sale is regarded by other dealers as evidence that the deal may have a string to it.

The report from California that options at 20c are solicited by dealers there adds strength to the tone of this market, for Oregon hops rule higher than California.

Herbine

Renders the bile more fluid and thus helps the blood to flow; it affords prompt relief from biliousness, indigestion, sick and nervous headaches, and over-indulgence in food and drink.

G. L. Caldwell, Agt. M. K. and T. R. R. Checotah, Ind. Ter., writes, April 18, 1903: "I was sick for over two years with enlargement of the liver and spleen. The doctors did me no good, and I had given up all hope of being cured, when my druggist advised me to use Herbine. It has made me sound and well." 50c. Sold by Hart's drug store.

A New Jersey high school principal hugged and kissed a pretty school-marm and eleven female teachers promptly resigned. The jealous things!

The intense itching characteristic of salt rheum and eczema is instantly allayed by applying Chamberlain's Salve. As a cure for skin diseases this salve is unequalled. For sale by Frank Hart, leading druggist.

Cures Sciatica

Rev. W. L. Riley, L. L. D., Cuba, New York, writes: "After fifteen days of excruciating pain from sciatic rheumatism, under various treatments, I was induced to try Ballard's Snow Liniment; the first application giving my first relief and the second entire relief. I can give it unqualified recommendation. 25c 50c, 1.00. Sold by Hart's drug store.

SAVED BABY LYON'S LIFE

Untold Suffering and Constant Misery—Awful Sight From that Dreadful Complaint, Infantile Eczema—Commenced at Top of his Head and Covered Entire Body.

MOTHER PRAISES CUTICURA REMEDIES

"Our baby had that dreadful complaint, Infantile Eczema, which afflicted him for several months, commencing at the top of his head, and at last covering his whole body. His sufferings were untold and constant misery, in fact, there was nothing we would not have done to have given him relief. The family doctor seemed to be wholly incapable of coping with the case, and after various experiments of his, which resulted in no benefit to the child, we sent to Mazon, Ill., to a druggist and got a full set of the Cuticura Remedies and applied as per directions, and he began to improve immediately, and in about three or four days began to show a brighter spirit and really laughed, for the first time in a year. In about ninety days he was fully recovered, with the exception of a rough skin, which is gradually disappearing, and eventually will be replaced by a healthy one. "Praise for the Cuticura Remedies has always been our greatest pleasure, and there is nothing too good that we could say in their favor, for they certainly saved our baby's life, for he was the most awful sight that I ever beheld, prior to the treatment of the Cuticura Remedies. Mrs. Mabelle Lyon, 1826 Appleton Ave., Parsons, Kan., July 18, 1905."

COMPLETE TREATMENT \$1
